CUSIP No. 03769M 106

SCHEDULE 13D

Page 6 of 9

This Amendment No. 16 amends and supplements the Schedule 13D filed with the Securities and Exchange Commission (the "Commission") by Joshua Harris and MJH Partners II LLC on January 11, 2022, relating to the shares of the common stock, par value \$0.00001 per share ("Common Stock"), of Apollo Global Management, Inc., a Delaware corporation (the "Issuer") (as so amended, the "Schedule 13D"). This Amendment No. 16 is being filed to reflect (i) the transfer by MJH Partners II LLC of 16,842 shares of Common Stock to MJH Partners III LLC, an estate planning vehicle for which Joshua Harris exercises voting and investment control and (ii) the entry into delayed draw variable share forward sale transactions by MJH Partners III LLC which relate to up to 1,000,000 shares of Common Stock.

Item 3. Source and Amount of Funds or Other Consideration.

Item 3 of the Schedule 13D is amended by adding the following sentence immediately after the last paragraph of such item:

No funds or consideration was paid for the transfer by MJH Partners II LLC of 16,842 shares of Common Stock to MJH Partners III LLC.

Item 4. Purpose of Transaction.

Item 4 of the Schedule 13D is amended by adding the following paragraphs immediately prior to the penultimate paragraph of such item:

On May 16, 2024, MJH Partners II LLC contributed and transferred 16,842 shares of Common Stock to MJH Partners III LLC.

On May 16, 2024, MJH Partners III LLC (the “**Counterparty**”), entered into a Delayed Draw Variable Share Forward Sale Transaction with UBS AG, London Branch (the “**Bank**”) pursuant to a Master Confirmation entered into between the Counterparty and the Bank, dated February 20, 2024 (the “**Forward Contract**”). The Forward Contract obligates the Counterparty to deliver to the Bank, on specified dates in August and September of 2029 (each, a “**Settlement Date**”), at the Counterparty’s option, up to an aggregate number of shares of the Issuer’s Common Stock equal to the number of shares of Common Stock pledged by the Counterparty or, subject to certain conditions, an equivalent amount of cash.

The Forward Contract obligates the Counterparty to deliver to the Bank up to an aggregate number of shares of the Issuer’s Common Stock equal to the number of shares of Common Stock pledged by the Counterparty or, subject to certain conditions and at the Counterparty’s option, an equivalent amount of cash. The Counterparty pledged an aggregate of 1,000,000 shares of the Issuer’s Common Stock (the “**Pledged Shares**”) to secure its obligations under the Forward Contract. The Counterparty retains ownership and voting and ordinary dividend rights in the Pledged Shares during the term of the pledge (and thereafter if the Counterparty settles the Forward Contract in cash), subject to certain payments the Counterparty may need to make to the Bank with respect to dividends under the terms of the Forward

Contract. 983,158 shares of the Issuer’s Common Stock pledged by the Counterparty were previously contributed by MJH Partners II LLC to MJH Partners III LLC on April 9, 2024 in connection with the “Delayed Draw Variable Share Forward Sale Transaction” referred to in Amendment No. 15 to the Schedule 13D filed with the Commission on April 11, 2024 (the “**Prior Forward Contract**”). As a result of market conditions, the financial institution party to the Prior Forward Contract did not establish a hedge for the maximum number of shares of the Issuer’s Common Stock to which the Prior Forward Contract could relate and, as a result, pursuant to the terms of the Prior Forward Contract, the number of shares of the Issuer’s Common Stock to which the Prior Forward Contract relates was determined to be 16,842.

Under the terms of the Forward Contract, the Counterparty may, at its election, subject to certain terms and conditions, receive a prepayment from the Bank with respect to some or all portions of the transactions covered by the Forward Contract, equal to the present value as of the relevant funding date of the payment of the Floor Price (as defined below) at maturity of the transactions.

For each of the up to twenty-five components of the Forward Contract for which a prepayment has been paid to the Counterparty by the Bank, the number of shares of the Issuer’s Common Stock to be delivered to the Bank on each Settlement Date (or on which to base the amount of cash to be delivered to the Bank on such Settlement Date) is to be determined as follows: (a) if the per-share volume weighted average price of the Issuer’s Common Stock on the related valuation date (the “**Settlement Price**”) is less than or equal to a floor price that will be determined following a hedging period (the “**Floor Price**”), the Counterparty will deliver to the Bank the ratable portion of the Pledged Shares to be delivered with respect to each Settlement Date (such number of shares, the “**Number of Shares**”); (b) if the Settlement Price is between the Floor Price and a cap price that will be determined following a hedging period (the “**Cap Price**”), the Counterparty will deliver to the Bank a number of shares of the Issuer’s Common Stock equal to the Number of Shares multiplied by a fraction, the numerator of which is the Floor Price and the denominator of which is the Settlement Price; and (c) if the Settlement Price is greater than the Cap Price, the Counterparty will deliver to the Bank a number of shares of the Issuer’s Common Stock equal to the product of (i) the Number of Shares and (ii) a fraction (a) the numerator of which is the sum of (x) the Floor Price and (y) the Settlement Price minus the Cap Price, and (b) the denominator of which is the Settlement Price.

For each of the up to twenty-five components of the Forward Contract for which a prepayment has not been paid to the Counterparty by the Bank, the number of shares of the Issuer’s Common Stock to be delivered to the Bank on each Settlement Date (or on which to base the amount of cash to be delivered to the Bank on such Settlement Date) is to be determined as follows: (a) if the Settlement Price is greater than the Cap Price, the Bank will pay to the Counterparty the Cap Price multiplied by the Number of Shares, and the Counterparty will deliver to the Bank a number of shares equal to the Number of Shares; (b) if the Settlement Price is less than the Floor Price, the Counterparty will deliver to the Bank a number of shares equal to the Number of Shares, and the Bank will pay to the Counterparty the Floor Price multiplied by the Number of Shares; or (c) if the Settlement Price is between the Floor Price and the Cap Price, no payment or delivery of shares will be made by either party.
