Section 3.2 Non-Discrimination. Subject to applicable law, the applicable rules and regulations of the SEC or the fiduciary duties of a Director applicable to such

Person, (a) none of the Corporation, any Stockholder, Principal Nominee, Principal or member of his Group shall (i) take any action inconsistent with or contrary to the terms of this Agreement or (ii) act in a manner that is discriminatory as to one or more of the Principals or the members of his Group with respect to matters relating directly or indirectly to the Corporation or its Subsidiaries and (b) the Corporation, each Stockholder, Principal Nominee, Principal, and members of his

Group shall oppose all actions described in the foregoing clause (a) if proposed by any other Person.

Section 3.3 Access to Books, Records and Financial Information

(a) Subject to Section 3.3(c), each Principal (and, subject to executing a written undertaking to comply with the terms of Section 3.4, such Principal's Personal Representative, if applicable) shall have the right, upon reasonable request for purposes reasonably related to the interest of the members of such Principal's Group as a current or former stockholder or Beneficial Owner of the Common Shares, to inspect, during normal business hours, the Corporation's books and records (including such financial and other information relating to the Corporation) relating to any period of time during which the applicable Principal (or members of such Principal's Group) was a stockholder or Beneficial Owner of Common Shares of the Corporation. All requests for information or access shall be made in writing and shall specify the reasons for such request. The Corporation shall have twenty (20) business days to respond to such request (or such longer period as may be reasonable under the circumstances given the volume or complexity of the request). The requesting Person shall reimburse the Corporation for all reasonable expenses incurred by the Corporation in order to provide such information or access (including expenses necessary to provide such information or access in a manner that is prudent in order to protect the interests of the Corporation and its Affiliates). The Corporation shall not have to respond to more than one request in any thirty (30) day period made by the same Principal (or Principal's Personal Representative or members of the same Principal's Group).

(b) Subject to Section 3.3(c), each Principal (and Principal's Personal Representative, if applicable) shall have the right to receive, on a monthly basis, the same regular information package and reports as are provided, on a monthly basis, by the Corporation to senior management of the Corporation in the ordinary course of business; provided, that the Corporation shall not be required to incur any additional costs to generate such information package and/or reports beyond the costs that the Corporation already incurs in the ordinary course of business in preparing its regular monthly information package and reports for senior management.

(c) Notwithstanding anything to the contrary in this Section 3.3, (i) the Corporation shall have no obligation to generate information that does not already exist nor organize information in a format that does not already exist; (ii) any information provided pursuant to this Section 3.3 shall be deemed "Confidential Information" for purposes of this Agreement (subject to the terms of, and exceptions contained in, the definition of "Confidential Information" hereunder); and (iii) the rights of a Principal (and Principal's Personal Representative, if applicable) pursuant to this Section 3.3 shall expire when the Information Rights Ownership Threshold is not satisfied with respect to such Principal (or such Principal's Group).

Section 3.4 Confidentiality

(a) Each Principal and/or Stockholder agrees that he, she or it shall not (and each Principal or Principal's Personal Representative, as applicable, shall cause the

applicable Principal's Group not to), disclose or use at any time any Confidential Information of which such Principal or Stockholder is or becomes aware, whether or not such information is authored or developed by him, except to the extent that (i) such disclosure or use is directly related to and required by such Principal or Stockholder's performance of duties to Apollo or any of its Subsidiaries or any Portfolio Company, or such Principal or Stockholder's (or member of such Principal's Group's) evaluation of, management of and planning with respect to his, her or its investment in the Corporation, (ii) subject to Section 8.7 and Section 8.8, to the extent that such disclosure is required in connection with any action by such Principal or Stockholder (or his Personal Representative or member of his Group, as applicable) to enforce rights under this Agreement or any other agreement with the Corporation or any of its Subsidiaries, (iii) such disclosure is expressly permitted by the terms of this Agreement or by the Corporation, or (iv) such disclosure is legally required to be made; provided, that such Principal or Stockholder (or his Personal Representative or member of his Group, as applicable) shall provide ten (10) days' prior written notice, if practicable, to the Corporation of such disclosure so that the Corporation may seek a protective order or similar remedy; and, provided further, that, in each case set forth above, such Principal or Stockholder (or his Personal Representative or member of his Group, as applicable) informs the recipients that such information or communication is confidential in nature. Notwithstanding anything contained herein, upon the expiration of the term of any non-competition agreement that a Principal or Stockholder is party to with the Corporation, the Apollo Operating Group or any of their respective Subsidiaries, a Principal or Stockholder shall be permitted to use, and will be given full access to, performance information of the Apollo Funds related to such Principal or Stockholder's respective tenure as an employee or active manager of the Corporation, the Apollo Operating Group or any of their respective Subsidiaries; provided, that the Corporation, the Apollo Operating Group and their respective Subsidiaries shall not be responsible for any misrepresentations on such Principal or Stockholder's part to any third parties regarding the foregoing.

(b) Any trade secrets of the Corporation or any of its Subsidiaries or any Portfolio Company will be entitled to all of the protections and benefits under any applicable law. If any information that the Corporation deems to be a trade secret is found by a court of competent jurisdiction not to be a trade secret for purposes of this Agreement, such information will, nevertheless, be considered Confidential Information for purposes of this Agreement. Each Principal and Stockholder hereby waives any requirement that the Corporation submit proof of the economic value of any trade secret or post a bond or other security.

Section 3.5 Access to Office Space and Logistics Support. Each Principal shall be entitled to the use of office space at the offices of the Corporation and administrative and logistics support provided by the Corporation at the Corporation's sole expense (to be provided by administrative staff of the Corporation who ordinarily provides such support to the Board and the Directors), provided, that such Principal continues to (a) provide services to the Corporation (other than as a Director), (b) serve on the Executive Committee or (c) serve as the chairman of the Board or of any committee of the Board.

ARTICLE IV
TERMINATION

Section 4.1 Term

(a) The rights and obligations of each Stockholder and Principal (and Principals' Personal Representatives, as applicable) under, and the obligations of the Corporation or Board, as applicable, to such Stockholder or Principal (or Principal's Personal Representative) under, (i) Article II and Article III (other than Section 2.1 (*Composition of the Board*), Section 2.3 (*Committees*), Section 2.4 (*Executive Committee*), Section 2.5 (*Lead Independent Director*), Section 2.6 (*Voting Agreements*), Section 3.1 (*Non-Pro Rata Distributions*), and Section 3.2 (*Non-Discrimination*)) shall automatically terminate on the date on which the Ownership Threshold is no longer satisfied with respect to the applicable Principal, (ii) Section 3.3 (*Access to Books, Records and Financial Information*) shall automatically terminate on the date that the Information Rights Ownership Threshold is no longer satisfied with respect to the applicable Principal, and (iii) Section 3.5 (*Access to Office Space and Logistics Support*) shall automatically terminate on the date on which none of the conditions set forth in the proviso to Section 3.5 continue to be satisfied with respect to the applicable Principal.

(b) The rights and obligations of the Stockholders and Principals (and Principals' Personal Representatives, as applicable) under, and the obligations of the Corporation or Board, as applicable, under, Section 2.1 (*Composition of the Board*), Section 2.3 (*Committees*), Section 2.4 (*Executive Committee*), Section 2.5 (*Lead Independent Director*), and Section 2.6 (*Voting Agreements*) shall automatically terminate on the date on which no Principal satisfies the Ownership Threshold (the "Principal Rights Termination Date").

(c) Except as set forth in Section 4.1(a), Section 4.1(b), and Section 4.2, the rights and obligations of each Stockholder and Principal (and Principals' Personal Representatives, as applicable) under, and the obligations of the Corporation or Board, as applicable, to such Stockholder or Principal (or Principal's Personal Representative) under, this Agreement shall automatically terminate upon the date on which members of the applicable Principal's Group no longer Beneficially Own Common Shares representing the lesser of (x) 1% in the aggregate of the Common Shares outstanding and (y) an aggregate Trading Value equal to \$100 million.

(d) For the avoidance of doubt, all obligations under this Agreement shall terminate with respect to any Voting Securities upon the transfer of such Voting Securities to Persons that are not Stockholder Transferees.

Section 4.2 Survival. If this Agreement or any provision of this Agreement is terminated with respect to a Principal or a Stockholder pursuant to Section 4.1, this Agreement or such provision, as applicable, shall become void and of no further force and effect with respect to such Principal or Stockholder, as applicable, except for the provisions set forth in Section 3.4 (*Confidentiality*), Section 5.8 (*Registration Indemnification*), Section 7.1 (*Indemnification of Principals*), Section 7.2 (*Indemnification of Other Professionals*) and Article VIII (*Miscellaneous*).

ARTICLE V REGISTRATION RIGHTS

Section 5.1 Demand Registration.

(a) At any time, one or more Stockholders (each a "Requesting Stockholder") shall be entitled to make a written request of the Corporation (a "Demand") for registration under the Securities Act of an amount of Registrable Securities that, in the aggregate taking into account all of the Requesting Stockholders, equals or is greater than the Registrable Amount (based on the number of Registrable Securities outstanding on the date such Demand is made) (a "Demand Registration") and thereupon the Corporation will, subject to the terms of this Agreement, use its commercially reasonable efforts to effect the registration as promptly as practicable under the Securities Act of:

(i) the Registrable Securities which the Corporation has been so requested to register by the Requesting Stockholders for disposition in accordance with the intended method of disposition stated in such Demand;

(ii) all other Registrable Securities which the Corporation has been requested to register pursuant to Section 5.1(b); and

(iii) all equity securities of the Corporation which the Corporation may elect to register in connection with any offering of Registrable Securities pursuant to this Section 5.1, but subject to Section 5.1(h);

all to the extent necessary to permit the disposition (in accordance with the intended methods thereof) of the Registrable Securities and the additional Common Shares, if any, to be so registered.

(b) Each Demand shall specify: (i) the aggregate number of Registrable Securities requested to be registered in such Demand Registration, (ii) the intended method of disposition in connection with such Demand Registration, to the extent then known and (iii) the identity of the Requesting Stockholder (or Requesting Stockholders). Within five (5) business days after receipt of a Demand, the Corporation shall give written notice of such Demand to all other Stockholders. Subject to Section 5.1(h), the Corporation shall include in the Demand Registration covered by such Demand all Registrable Securities with respect to which the Corporation has received a written request for inclusion therein within ten (10) days after the Corporation's notice required by this Section 5.1(b) has been given. Such written request shall comply with the requirements of a Demand as set forth in this Section 5.1(b).

(c) Each of the Stockholders shall be entitled to an unlimited number of Demand Registrations.

(d) Demand Registrations shall be on (i) Form S-1 or any similar long-form registration, (ii) Form S-3 or any similar short form registration, if such short form registration is then available to the Corporation, or (iii) Form S-3ASR if the Corporation is, at the time a Demand is made, a Well-Known Seasoned Issuer, in each case, reasonably acceptable to

the Requesting Stockholders holding a majority of the Registrable Securities included in the applicable Demand Registration.

(e) The Corporation shall not be obligated to (i) maintain the effectiveness of a registration statement under the Securities Act, filed pursuant to a Demand Registration, for a period longer than 90 days or (ii) effect any Demand Registration (A) within six (6) months of the effective date of a registration statement with respect to a "firm commitment" Underwritten Offering in which all Piggyback Sellers were given "piggyback" rights pursuant to Section 5.2 (subject to Section 5.1(f)) and at least 50% of the number of Registrable Securities requested by such Piggyback Sellers to be included in such Demand Registration were included, (B) within four (4) months of the effective date of a registration statement with respect to any other Demand Registration or (C) if, in the Corporation's reasonable judgment, it is not feasible for the Corporation to proceed with the Demand Registration because of the unavailability of audited or other required financial statements, provided that the Corporation shall use its commercially reasonable efforts to obtain such financial statements as promptly as practicable. In addition, the Corporation shall be entitled to postpone (upon written notice to all Stockholders) the filing or the effectiveness of a registration statement for any Demand Registration (but no more than twice in any period of twelve (12) consecutive months and in no event for more than an aggregate of one-hundred twenty (120) days in any three-hundred sixty-five (365) consecutive day period) if the Board determines in its reasonable judgment that the filing or effectiveness of the registration statement relating to such Demand Registration would cause the disclosure of material, non-public information that the Corporation has a bona fide business purpose for preserving as confidential.

(f) The Corporation shall not include any securities other than Registrable Securities in a Demand Registration, except for any Common Shares held by any Other Professional Holder, any securities held by any stockholders who acquire Common Shares after the date hereof and whom the Corporation gives *pari passu* rights, or with the written consent of Stockholders participating in such Demand Registration that hold a majority of the Registrable Securities included in such Demand Registration. If, in connection with a Demand Registration, the lead bookrunning underwriters (or, if such Demand Registration is not an Underwritten Offering, a nationally recognized independent investment bank selected by the Corporation and reasonably acceptable to Stockholders holding a majority of the Registrable Securities included in such Demand Registration, and whose fees and expenses shall be borne solely by the Corporation) advise the Corporation, in writing, that, in their reasonable opinion, the inclusion of all of the securities, including securities of the Corporation that are not Registrable Securities, sought to be registered in connection with such Demand Registration would adversely affect the marketability of the Registrable Securities sought to be sold pursuant thereto, then the Corporation shall include in such registration statement only such securities as the Corporation is reasonably advised by such underwriters or investment bank can be sold without such adverse effect as follows and in the following order of priority: (i) first, up to the number of Common Shares requested to be included in such Demand Registration by any Stockholders and any Other Professional Holders, which, in the opinion of the underwriter or investment bank can be sold without adversely affecting the marketability of the offering, *pro rata* among such Persons based upon the number of Common

registration statement, *pro rata* on the basis of the amount of such other securities requested to be included or such other method determined by the Corporation.

(g) Any time that a Demand Registration involves an Underwritten Offering, the Corporation shall (i) select the investment banker or investment bankers and managers that will serve as lead and co-managing underwriters with respect to the offering of such Registrable Securities, and (ii) enter into an underwriting agreement that is reasonably acceptable to the Stockholders holding a majority of the Registrable Securities requested to be included in the Demand Registration and the Corporation, with such agreement containing representations, warranties, indemnities and agreements customarily included (but not inconsistent with the covenants and agreements of the Corporation contained herein) by an issuer of common stock in underwriting agreements with respect to offerings of common stock for the account of, or on behalf of, such issuers.

(h) In connection with any Underwritten Offering under this Section 5.1, the Corporation shall not be required to include the Registrable Securities of a Stockholder in the Underwritten Offering unless such Stockholder accepts the terms of the underwriting as agreed upon between the Corporation and the underwriters selected by the Corporation, in accordance with the terms hereof.

Section 5.2 Piggyback Registration.

(a) Subject to the terms and conditions hereof, whenever the Corporation proposes to register any of its equity securities (other than preferred securities) under the Securities Act (other than a registration by the Corporation on a registration statement on Form S-4 or a registration statement on Form S-8 or any successor forms thereto or any other form that would not be available for registration of Registrable Securities) (a "Piggyback Registration"), whether for its own account or for the account of others, the Corporation shall give each Stockholder, prompt written notice thereof (but not less than ten (10) business days prior to the filing by the Corporation with the SEC of any registration statement with respect thereto). Such notice (a "Piggyback Notice") shall specify, at a minimum, the number of equity securities proposed to be registered, the proposed date of filing of such registration statement with the SEC, the proposed means of distribution, the proposed managing underwriter or underwriters (if any and if known) and a reasonable estimate by the Corporation of the proposed minimum offering price of such equity securities. Upon the written request of any Person that on the date of the Piggyback Notice is a Stockholder (a "Piggyback Seller") (which written request shall specify the number of Registrable Securities then presently intended to be disposed of by such Piggyback Seller) given within ten (10) days after such Piggyback Notice is received by such Piggyback Seller, the Corporation, subject to the terms and conditions of this Agreement, shall use its commercially reasonable efforts to cause all such Registrable Securities held by Piggyback Sellers with respect to which the Corporation has received such written requests for inclusion to be included in such Piggyback Registration on the same terms and conditions as the Corporation's equity securities being sold in such Piggyback Registration.

(b) If, in connection with a Piggyback Registration, any managing underwriter (or, if such Piggyback Registration is not an Underwritten Offering, a nationally recognized independent investment bank selected by the Corporation and reasonably acceptable

to the Stockholders holding a majority of the Registrable Securities included in such Piggyback Registration, and whose fees and expenses shall be borne solely by the Corporation) advises the Corporation in writing that, in its opinion, the inclusion of all the equity securities sought to be included in such Piggyback Registration by (i) the Corporation, (ii) others who have sought to have equity securities of the Corporation registered in such Piggyback Registration pursuant to rights to demand (other than pursuant to so-called "piggyback" or other incidental or participation registration rights) such registration (such Persons being "Other Demanding Sellers"), (iii) the Piggyback Sellers and any Other Professional Holder that request to participate in such registration pursuant to their piggyback registration rights, and (iv) any other proposed sellers of equity securities of the Corporation (such Persons being "Other Proposed Sellers"), as the case may be, would adversely affect the marketability of the equity securities sought to be sold pursuant thereto, then the Corporation shall include in the registration statement applicable to such Piggyback Registration only such equity securities as the Corporation is so advised by such underwriter can be sold without such an effect, as follows and in the following order of priority:

(i) if the Piggyback Registration relates to an offering for the Corporation's own account, then (A) *first*, such number of equity securities to be sold by the Corporation for its own account, (B) *second*, Common Shares requested to be included in such Piggyback Registration by any Other Demanding Sellers, any Piggyback Sellers and any Other Professional Holders that participate in such offering, *pro rata* among such Other Demanding Sellers, Piggyback Sellers and Other Professional Holders based upon the number of Common Shares deemed to be owned by such Persons and (C) *third*, other equity securities of the Corporation proposed to be sold by any Other Proposed Sellers; or

(ii) if the Piggyback Registration relates to an offering other than for the Corporation's own account, then (A) *first*, Common Shares requested to be included in such Piggyback Registration by any Other Demanding Sellers, any Piggyback Sellers and any Other Professional Holders that participate in such offering, *pro rata* among such Other Demanding Sellers, Piggyback Sellers and Other Professional Holders based upon the number of Common Shares deemed to be owned by such Persons, and (B) *second*, the other equity securities of the Corporation proposed to be sold by any Other Proposed Sellers or to be sold by the Corporation as determined by the Corporation.

(c) In connection with any Underwritten Offering under this Section 5.2, the Corporation shall not be required to include the Registrable Securities of a Stockholder in the Underwritten Offering unless such Stockholder accepts the terms of the underwriting as agreed upon between the Corporation and the underwriters selected by the Corporation in accordance with the terms hereof.

(d) If, at any time after giving written notice of its intention to register any of its equity securities as set forth in this Section 5.2 and prior to the time the registration statement filed in connection with such Piggyback Registration is declared effective, the Corporation shall determine, at its election, for any reason not to register such equity securities, the Corporation may give written notice of such determination to each Stockholder within five (5) days thereof and thereupon shall be relieved of its obligation to register any Registrable Securities in connection with such particular withdrawn or abandoned Piggyback Registration

(but not from its obligation to pay the Registration Expenses in connection therewith as provided herein); provided, that Stockholders may continue the registration as a Demand Registration pursuant to the terms of Section 5.1.

Section 5.3 Shelf Registration.

(a) Subject to Section 5.3(d), and further subject to the availability of a Registration Statement on Form S-3 or on any other form which permits incorporation of substantial information by reference to other documents filed by the issuer with the SEC ("Form S-3") to the Corporation, any of the Stockholders may by written notice delivered to the Corporation (the "Shelf Notice") require the Corporation to file as soon as practicable (but no later than sixty (60) days after the date the Shelf Notice is delivered), and to use reasonable efforts to cause to be declared effective by the SEC within ninety (90) days after such filing date, a Form S-3 providing for an offering to be made on a continuous basis pursuant to Rule 415 under the Securities Act relating to the offer and sale, from time to time, of a number of Registrable Securities that is equal to or greater than the Registrable Amount (based on the number of Registrable Securities outstanding on the date such notice is delivered) owned by such

Stockholders and any other Stockholders who elect to participate therein as provided in Section 5.3(b) in accordance with the plan and method of distribution set forth in the prospectus included in such Form S-3 (the “Shelf Registration Statement”).

(b) Within five (5) business days after receipt of a Shelf Notice pursuant to Section 5.3, the Corporation will deliver written notice thereof to each Stockholder. Each Piggyback Seller may elect to participate in the Shelf Registration Statement by delivering to the Corporation a written request to so participate within ten (10) days after the Shelf Notice is received by any such Piggyback Seller.

(c) Subject to Section 5.3(d), the Corporation will use reasonable efforts to keep the Shelf Registration Statement continuously effective until the earlier of (i) two (2) years after the Shelf Registration Statement has been declared effective; and (ii) the date on which all Registrable Securities covered by the Shelf Registration Statement have been sold thereunder in accordance with the plan and method of distribution disclosed in the prospectus included in the Shelf Registration Statement, or otherwise.

(d) Notwithstanding anything to the contrary contained in this Agreement, the Corporation shall be entitled to suspend the use of the prospectus included in the Shelf Registration Statement, filed in accordance with Section 5.3, for a reasonable period of time not to exceed ninety (90) days in succession or one-hundred eighty (180) days in the aggregate in any twelve (12) month period (a “Suspension Period”) if the Corporation shall determine in its reasonable judgment that (A) it is not feasible for the Stockholder to use the prospectus for the sale of Registrable Securities because of the unavailability of audited or other required financial statements, provided that the Corporation shall use its reasonable efforts to obtain such financial statements as promptly as practicable, or (B) the filing or effectiveness of the prospectus relating to the Shelf Registration Statement would cause the disclosure of material, non-public information that the Corporation has a bona fide business purpose for preserving as confidential; provided, however, that any Suspension Period shall terminate at such time as the public disclosure of such information is made. After the expiration of any

24

Suspension Period and without any further request from a Stockholder, the Corporation shall as promptly as reasonably practicable prepare a post-effective amendment or supplement to the Shelf Registration Statement or the prospectus, or any document incorporated therein by reference, or file any other required document so that, as thereafter delivered to purchasers of the Registrable Securities included therein, the prospectus will not include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(e) Each Stockholder shall be entitled to demand such number of shelf registrations as shall be necessary to sell all of its (and its Group’s) Registrable Securities pursuant to this Section 5.3.

Section 5.4 Withdrawal Rights.

Any Stockholder having notified or directed the Corporation to include any or all of its (and its Group’s) Registrable Securities in a registration statement under the Securities Act shall have the right to withdraw any such notice or direction with respect to any or all of the Registrable Securities designated by it for registration by giving written notice to such effect to the Corporation prior to the effective date of such registration statement. In the event of any such withdrawal, the Corporation shall not include such Registrable Securities in the applicable registration and such Registrable Securities shall continue to be Registrable Securities for all purposes of this Agreement. No such withdrawal shall affect the obligations of the Corporation with respect to the Registrable Securities not so withdrawn; provided, however, that in the case of a Demand Registration, if such withdrawal shall reduce the number of Registrable Securities sought to be included in such registration below the Registrable Amount, then the Corporation shall as promptly as practicable give each Stockholder seeking to register Registrable Securities notice to such effect and, within ten (10) days following the mailing of such notice, such Stockholders still seeking registration shall, by written notice to the Corporation, elect to register additional Registrable Securities, when taken together with elections to register Registrable Securities by their Stockholder Transferees, to satisfy the Registrable Amount or elect that such registration statement not be filed or, if theretofore filed, be withdrawn. During such 10-day period, the Corporation shall not file such registration statement if not theretofore filed or, if such registration statement has been theretofore filed, the Corporation shall not seek, and shall use commercially reasonable efforts to prevent, the effectiveness thereof. If a Stockholder withdraws its notification or direction to the Corporation to include Registrable Securities in a registration statement in accordance with this Section 5.4 with respect to a sufficient number of Common Shares so as to reduce the number of Registrable Securities requested to be included in such registration statement below the Registrable Amount, such Stockholder shall be required to promptly reimburse the Corporation for all expenses incurred by the Corporation in connection with preparing for the registration of such Registrable Securities.

Section 5.5 Holdback Agreements.

Each Stockholder agrees not to effect any public sale or distribution (including sales pursuant to Rule 144) of equity securities of the Corporation, or any securities convertible into or exchangeable or exercisable for such equity securities, during any time period reasonably requested by the Corporation (which shall not exceed ninety (90) days) with respect to any

25

Demand Registration or any Piggyback Registration (in each case, except as part of such registration or to members of such Stockholder’s Group), or, in each case, during any time period (which shall not exceed one-hundred eighty (180) days) required by any underwriting agreement with respect thereto.

Section 5.6 Registration Procedures.

(a) If and whenever the Corporation is required to use commercially reasonable efforts to effect the registration of any Registrable Securities under the Securities Act as provided in Section 5.1, Section 5.2, and Section 5.3, the Corporation shall as expeditiously as reasonably possible:

(i) prepare and file with the SEC a registration statement to effect such registration and thereafter use commercially reasonable efforts to cause such registration statement to become and remain effective pursuant to the terms of this Agreement and cause such registration statement to contain a “Plan of Distribution” that permits the distribution of securities pursuant to all legal means; provided, however, that the Corporation may discontinue any registration of its securities which are not Registrable Securities at any time prior to the effective date of the registration statement relating thereto; provided, further that before filing such registration statement, prospectus or any amendments thereto, the Corporation will furnish to the counsel selected by the Stockholders which are including Registrable Securities in such registration copies of all such documents proposed to be filed, which documents will be subject to the review of such counsel, and such review to be conducted with reasonable promptness;

(ii) prepare and file with the SEC such amendments and supplements to such registration statement and the prospectus used in connection therewith as may be necessary to keep such registration statement effective and to comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such registration statement until the earlier of such time as all of such securities have been disposed of in accordance with the intended methods of disposition by the seller or sellers thereof set forth in such registration statement or (i) in the case of a Demand Registration pursuant to Section 5.1, the expiration of ninety (90) days after such registration statement becomes effective or (ii) in the case of a Piggyback Registration pursuant to Section 5.2, the expiration of ninety (90) days after such registration statement becomes effective or (iii) in the case of a shelf registration pursuant to Section 5.3, the expiration of two (2) years after such registration statement becomes effective;

(iii) furnish to each Selling Stockholder and each underwriter, if any, of the securities being sold by such Selling Stockholder such number of conformed copies of such registration statement and of each amendment and supplement thereto (in each case including all exhibits), such number of copies of the prospectus contained in such registration statement (including each preliminary prospectus and any summary prospectus) and each free writing prospectus (as defined in Rule 405 of the

to facilitate the public sale or other disposition of the Registrable Securities owned by such Selling Stockholder;

(iv) use commercially reasonable efforts to register or qualify such Registrable Securities covered by such registration statement under such other securities laws or blue sky laws of such jurisdictions as any Selling Stockholder and any underwriter of the securities being sold by such Selling Stockholder shall reasonably request, and take any other action which may be reasonably necessary or advisable to enable such Selling Stockholder and underwriter to consummate the disposition in such jurisdictions of the Registrable Securities owned by such Selling Stockholder, except that the Corporation shall not for any such purpose be required to (A) qualify generally to do business as a foreign corporation in any jurisdiction wherein it would not but for the requirements of this clause (iv) be obligated to be so qualified, (B) subject itself to taxation in any such jurisdiction or (C) file a general consent to service of process in any such jurisdiction;

(v) use commercially reasonable efforts to cause such Registrable Securities to be listed on each securities exchange on which similar securities issued by the Corporation are then listed and, if no such securities are so listed, use commercially reasonable efforts to cause such Registrable Securities to be listed on the National Securities Exchange on which the Common Shares are listed;

(vi) use commercially reasonable efforts to cause such Registrable Securities covered by such registration statement to be registered with or approved by such other Governmental Entities as may be necessary to enable each Selling Stockholder thereof to consummate the disposition of such Registrable Securities;

(vii) in connection with an Underwritten Offering, obtain for each Selling Stockholder and underwriter:

(A) an opinion of counsel for the Corporation, covering the matters customarily covered in opinions requested in underwritten offerings and such other matters as may be reasonably requested by such Selling Stockholder and underwriters, and

(B) a “comfort” letter (or, in the case of any such Person which does not satisfy the conditions for receipt of a “comfort” letter specified in Statement on Auditing Standards No. 72, an “agreed upon procedures” letter) signed by the independent public accountants who have certified the Corporation’s financial statements included in such registration statement;

(viii) promptly make available for inspection by any Selling Stockholder, any underwriter participating in any disposition pursuant to any registration statement, and any attorney, accountant or other agent or representative retained by any such Selling Stockholder or underwriter (collectively, the “Inspectors”), all financial and other records, pertinent corporate documents and properties of the Corporation (collectively, the “Records”), as shall be reasonably necessary to enable them to exercise their due diligence responsibility in connection with such registration statement, and cause the Corporation’s

officers, directors and employees to supply all information requested by any such Inspector in connection with such registration statement provided, however, that, unless the disclosure of such Records is necessary to avoid or correct a misstatement or omission in the registration statement or the release of such Records is ordered pursuant to a subpoena or other order from a court of competent jurisdiction, the Corporation shall not be required to provide any information under this subparagraph (viii) if (i) the Corporation believes, after consultation with counsel for the Corporation, that to do so would cause the Corporation to forfeit an attorney-client privilege that was applicable to such information or (ii) if either (A) the Corporation has requested and been granted from the SEC confidential treatment of such information contained in any filing with the SEC or documents provided supplementally or otherwise or (B) the Corporation reasonably determines that such Records are confidential and so notifies the Inspectors in writing unless prior to furnishing any such information with respect to (i) or (ii) such Selling Stockholder requesting such information agrees, and causes each of its Inspectors, to enter into a confidentiality agreement on terms reasonably acceptable to the Corporation; and provided, further, that each Selling Stockholder agrees that it will, upon learning that disclosure of such Records is sought in a court of competent jurisdiction, give notice to the Corporation and allow the Corporation, at its expense, to undertake appropriate action and to prevent disclosure of the Records deemed confidential;

(ix) promptly notify in writing each Selling Stockholder and the underwriters, if any, of the following events:

(A) the filing of the registration statement, the prospectus or any prospectus supplement related thereto or post-effective amendment to the registration statement or any Free Writing Prospectus utilized in connection therewith, and, with respect to the registration statement or any post-effective amendment thereto, when the same has become effective;

(B) any request by the SEC or any other Governmental Entity for amendments or supplements to the registration statement or the prospectus or for additional information;

(C) the issuance by the SEC or any other Governmental Entity of any stop order suspending the effectiveness of the registration statement or the initiation of any proceedings by any Person for that purpose; and

(D) the receipt by the Corporation of any notification with respect to the suspension of the qualification of any Registrable Securities for sale under the securities or blue sky laws of any jurisdiction or the initiation or threat of any proceeding for such purpose;

(x) notify each Selling Stockholder, at any time when a prospectus relating thereto is required to be delivered under the Securities Act, upon discovery that, or upon the happening of any event as a result of which, the prospectus included in such registration statement, as then in effect, includes an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein

Section 5.7 Registration Expenses. All expenses incident to the Corporation's performance of, or compliance with, its obligations under Article V of this Agreement including, without limitation, all registration and filing fees, all fees and expenses of compliance with securities and "blue sky" laws, all fees and expenses associated with filings required to be made with the FINRA (including, if applicable, reasonable and customary fees and expenses of any "qualified independent underwriter" as such term is defined in Schedule E of the by-laws of the FINRA), all fees and expenses of compliance with securities and "blue sky" laws, all printing (including, without limitation, expenses of printing certificates for the Registrable Securities in a form eligible for deposit with the Depository Trust Company and of printing prospectuses if the printing of prospectuses is requested by a holder of Registrable Securities) and copying expenses, all messenger and delivery expenses, all fees and expenses of the Corporation's independent certified public accountants and counsel (including with respect to "comfort" letters and opinions) and reasonable and customary fees and expenses of one firm of counsel for each Principal that is (or a member of whose Group is) a Selling Stockholder (collectively, the "Registration Expenses") shall be borne by the Corporation, regardless of whether a registration is effected. The Corporation will pay its internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties, the expense of any annual audit and the expense of any liability insurance) and the expenses and fees for listing the securities to be registered on each securities exchange and included in each established over-the-counter market on which similar securities issued by the Corporation are then listed or traded. Each Selling Stockholder shall pay its portion of all underwriting discounts and commissions and transfer taxes, if any, relating to the sale of such Selling Stockholder's Registrable Securities pursuant to any registration.

Section 5.8 Registration Indemnification.

(a) By the Corporation. The Corporation agrees to indemnify and hold harmless, to the fullest extent permitted by law, each Selling Stockholder and each

of their respective Affiliates and their respective officers, directors, employees, managers, partners and agents and each Person who controls (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act) such Selling Stockholder or such other Person indemnified under this Section 5.8(a) from and against all losses, claims, damages, liabilities and expenses, whether joint or several (including reasonable expenses of investigation and reasonable attorneys' fees and expenses) (collectively, the "Losses"), to which they are or any of them may

become subject under the Securities Act, the Exchange Act or other U.S. federal or state statutory law (including any applicable "blue sky" laws), rule or regulation, at common law or otherwise, insofar as such Losses arise out of, are based upon, are caused by or relate to any untrue statement (or alleged untrue statement) of a material fact contained in any registration statement, prospectus or preliminary prospectus, offering circular, offering memorandum or Disclosure Package (including the Free Writing Prospectus) or any amendment or supplement thereto or any filing or document incidental to such registration or qualification of the securities as required by this Agreement, or any omission (or alleged omission) of a material fact required to be stated therein or necessary to make the statements therein not misleading, except that no Person indemnified shall be indemnified hereunder insofar as the same are made in conformity with and in reliance on information furnished in writing to the Corporation by such Person concerning such Person expressly for use therein. Such indemnification obligation shall be in addition to any liability that the Corporation may otherwise have to any such indemnified person. In connection with an Underwritten Offering and without limiting any of the Corporation's other obligations under this Agreement, the Corporation shall also indemnify such underwriters, their officers, directors, employees and agents and each Person who controls (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act) such underwriters or such other Person indemnified under this Section 5.8(a) to the same extent as provided above with respect to the indemnification (and exceptions thereto) of Selling Stockholders. Reimbursements payable pursuant to the indemnification contemplated by this Section 5.8(a) will be made by periodic payments during the course of any investigation or defense, as and when bills are received or expenses incurred.

(b) By the Selling Stockholders. In connection with any registration statement in which a Stockholder is participating, each such Selling Stockholder will furnish to the Corporation in writing information regarding such Selling Stockholder's ownership of Registrable Securities and its intended method of distribution thereof and, to the extent permitted by law, shall, severally and not jointly, indemnify the Corporation, its Affiliates and their respective directors, officers, employees and agents and each Person who controls (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act) the Corporation or such other Person indemnified under this Section 5.8(b) against all Losses caused by any untrue statement of material fact contained in the registration statement, prospectus or preliminary prospectus or Free Writing Prospectus or any amendment or supplement thereto or any omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, but only to the extent that such untrue statement or omission is made in conformity with and in reliance on information furnished in writing by such Person concerning such Person expressly for use therein; provided, however, that each Selling Stockholder's obligation to indemnify the Corporation hereunder shall, to the extent more than one Person is subject to the same indemnification obligation, be apportioned between each Person based upon the net amount received by each Person from the sale of Registrable Securities, as compared to the total net amount received by all of the indemnifying Persons pursuant to such registration statement. Notwithstanding the foregoing, no Person shall be liable to the Corporation and the underwriters for aggregate amounts in excess of the lesser of (i) such apportionment and (ii) the net amount received by such holder in the offering giving rise to such liability.

(c) Notice. Any Person entitled to indemnification hereunder shall give prompt written notice to the indemnifying party of any claim with respect to which it seeks

indemnification; provided, however, the failure to give such notice shall not release the indemnifying party from its obligation, except to the extent that the indemnifying party has been materially prejudiced by such failure to provide such notice on a timely basis.

(d) Defense of Actions. In any case in which any such action is brought against any indemnified party, and it notifies an indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein, and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party, and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party will not (so long as it shall continue to have the right to defend, contest, litigate and settle the matter in question in accordance with this paragraph) be liable to such indemnified party hereunder for any legal or other expense subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation, supervision and monitoring (unless (i) such indemnified party reasonably objects to such assumption on the grounds that there may be defenses available to it which are different from or in addition to the defenses available to such indemnifying party, (ii) counsel to the indemnifying party has informed the indemnifying party that the joint representation of the indemnifying party and one or more indemnified parties could be inappropriate under applicable standards of professional conduct, or (iii) the indemnifying party shall have failed within a reasonable period of time to assume such defense and the indemnified party is or is reasonably likely to be prejudiced by such delay, in any such event the indemnified party shall be promptly reimbursed by the indemnifying party for the expenses incurred in connection with retaining separate legal counsel). An indemnifying party shall not be liable for any settlement of an action or claim effected without its consent (such consent not to be unreasonably withheld). The indemnifying party shall lose its right to defend, contest, litigate and settle a matter if it shall fail to diligently contest such matter (except to the extent settled in accordance with the next following sentence). No matter shall be settled by an indemnifying party without the consent of the indemnified party (which consent shall not be unreasonably withheld, it being understood that the indemnified party shall not be deemed to be unreasonable in withholding its consent if the proposed settlement imposes any obligation on the indemnified party).

(e) Survival. The indemnification provided for under this Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified Person and will survive the transfer of the Registrable Securities and the termination of this Agreement.

(f) Contribution. If recovery is not available or is insufficient under the foregoing indemnification provisions for any reason or reasons other than as specified therein, any Person who would otherwise be entitled to indemnification by the terms thereof shall nevertheless be entitled to contribution with respect to any Losses with respect to which such Person would be entitled to such indemnification but for such reason or reasons. In determining the amount of contribution to which the respective Persons are entitled, there shall be considered the Persons' relative knowledge and access to information concerning the matter with respect to which the claim was asserted, the opportunity to correct and prevent any statement or omission, and other equitable considerations appropriate under the circumstances. It is hereby agreed that it would not necessarily be equitable if the amount of such contribution

were determined by *pro rata* or *per capita* allocation. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not found guilty of such fraudulent misrepresentation. Notwithstanding the foregoing, no Selling Stockholder or transferee thereof shall be required to make a contribution in excess of the net amount received by such holder from its sale of Registrable Securities in connection with the offering that gave rise to the contribution obligation.

Section 5.9 Request for Information: Certain Rights.

(a) Request for Information. Not less than five (5) business days before the expected filing date of each registration statement pursuant to this Agreement, the Corporation shall notify each Stockholder who has timely provided the requisite notice hereunder entitling the Stockholder to register Registrable Securities in such registration statement of the information, documents and instruments from such Stockholder that the Corporation or any underwriter reasonably requests in connection with such registration statement, including, but not limited to a questionnaire, custody agreement, power of attorney, lock-up letter and underwriting agreement (the "Requested

Information). Such Stockholder shall promptly return the Requested Information to the Corporation. If the Corporation has not received the Requested Information (or a written assurance from such Stockholder that the Requested Information that cannot practicably be provided prior to filing of the registration statement will be provided in a timely fashion) from such Stockholder within a reasonable period of time (as determined by the Corporation) prior to the filing of the applicable Registration Statement, the Corporation may file such Registration Statement without including Registrable Securities of such Stockholder. The failure to so include in any registration statement the Registrable Securities of a Stockholder (with regard to that registration statement) shall not in and of itself result in any liability on the part of the Corporation to such Stockholder.

(b) No Grant of Future Registration Rights. The Corporation shall not grant any shelf, demand, piggyback or incidental registration rights that are senior to the rights granted to the Stockholders hereunder to any other Person without the prior written consent of Stockholders holding a majority of the Registrable Securities held by all Stockholders; provided, however, that nothing herein shall preclude the Corporation from granting registration rights to any Person that *arqpari passu* with those of the Stockholders hereunder.

(c) Alternative Markets. In the event that (i) the Common Shares are not listed on a National Securities Exchange and (ii) a trading market for the Corporation's Common Shares develops that does not require that the Common Shares be registered under Section 12 of the Exchange Act (e.g., outside the United States or through a Rule 144A trading market), the Corporation agrees to provide alternative liquidity provisions to the Stockholders that would be the functional equivalent of this Article V, including the provision of offering documents, the entering into of placement and/or listing agreements and the functional equivalent of the other terms of this Article V and with the functional equivalent of the division of liabilities and expenses as provided in this Article V.

VOTING AGREEMENT

This Voting Agreement (this “**Agreement**”) is made and entered into as of August 6, 2021 by and between BRH Holdings GP, Ltd., a Cayman Islands exempted company (“**BRH**”), and the undersigned (the “**Investor**”). Capitalized terms used but not defined herein shall have the meanings ascribed to such terms in that certain Agreement Among Principals, dated as of July 13, 2007, by and among BRH Holdings, L.P., a Cayman Islands exempted limited partnership (“**Holdings**”), AP Professional Holdings, L.P. (“**APP**”), a Cayman Islands exempted limited partnership (“**Intermediate Holdings**”), Leon Black (“**LB**”), Marc Rowan (“**MR**”), Joshua Harris (“**JH**”) and, together with LB and MR, the “**Principals**”), Black Family Partners, L.P. and MJR Foundation LLC, (as amended, supplemented, restated or otherwise modified from time to time, the “**Agreement Among Principals**”).

WHEREAS,

- (1) Reference is made to that certain Governance Term Sheet, dated as of March 8, 2021 (the “**Governance Term Sheet**”), by and among each of the Principals and Apollo Global Management, Inc., a Delaware corporation (“**AGM**”);
 - (2) References herein to BRH shall be references to BRH in its own capacity and as general partner of Holdings, as the context requires.
 - (3) Reference is made to that certain Agreement and Plan of Merger, dated as of March 8, 2021 (the “**Merger Agreement**”), by and among AGM, Athene Holding Ltd., a Bermuda exempted company (“**AHL**”), Tango Holdings, Inc., a Delaware corporation (“**Tango Holdings**”), Blue Merger Sub, Ltd., a Bermuda exempted company (“**AHL Merger Sub**”), and Green Merger Sub, Inc., a Delaware corporation (“**AGM Merger Sub**”), providing for, among other things, (i) the merger of AGM Merger Sub with and into AGM (the “**AGM Merger**”) and (ii) the merger of AHL Merger Sub with and into AHL;
 - (4) (i) Upon the written election of a Principal (and in accordance with the Exchange Agreement) BRH will cause APP to effect a distribution to Holdings of such aggregate number of AOG Units (as defined in Third Amended and Restated Exempted Limited Partnership Agreement of APP, dated as of July 29, 2020, by and among BRH, as the sole general partner, and the limited partners thereto (the “**APP LPA**”)) in which such Principal beneficially owns a Pecuniary Interest (as defined in the APP LPA) (the “**Holdings Distribution**”) and (ii) Holdings will subsequently effect one or more distributions to each Principal, or its affiliates or other members of its Group who are limited partners of Holdings (or their designees) of such number of received AOG Units in which such Principal (or affiliate of such Group member) beneficially owns a Pecuniary Interest (the “**Principal Distributions**”), in the case of each of the foregoing clauses (i) and (ii), conditioned upon a Principal having previously entered into this Agreement, a Similar Voting Agreement or otherwise effecting arrangements mutually agreed between BRH and the applicable Principal for the AOG Units underlying its (and its affiliates and Group Members’) respective distribution to be bound by similar voting obligations (any of the foregoing, or the Voting Arrangement (as defined in the Waiver and Agreement, entered into on or about the date hereof, between AGM and the parties thereto), “**Similar Voting Arrangements**”);
-
- (5) BRH intends to cause APP to effect one or more distributions to each Limited Partner (or other members of its Group) other than Holdings (the “**Contributing Partners**”) of such number of AOG Units in which such Contributing Partner beneficially owns a Pecuniary Interest (the “**Contributing Partner Distributions**”), in each case conditioned upon such Contributing Partner entering into this Agreement, a Similar Voting Agreement or effecting Similar Voting Arrangements;
 - (6) In connection with the Principal Distributions and the Contributing Partner Distributions, BRH intends to distribute or otherwise transfer the shares of AGM Preferred Stock attributable to such AOG Units pro rata to the respective recipients of such distributions to the extent any shares of such AGM Preferred Stock and AOG Units have not already been converted, exchanged, reclassified or otherwise reconstituted into shares of AGM Class A common stock.
 - (7) BRH acknowledges that:
 - a) it will not make, or cause to be made, the Principal Distributions or the Contributing Partner Distributions in respect of any Principal or Contributing Partner who does not enter into this Agreement, a Similar Voting Agreement or effect a Similar Voting Arrangement; and
 - b) (i) any AOG Units held by APP (or securities into which such they are converted, reclassified or exchanged) and not distributed in the Principal Distributions or the Contributing Partners Distributions due to the failure of the condition described in the foregoing clause (a) will be distributed or otherwise transferred to BRH and (ii) any shares of AGM Preferred Stock attributable to such AOG Units will remain at BRH, in the case of each of the foregoing clauses (i) and (ii), to be held as nominee for the Principal or Contributing Partner who beneficially owns the Pecuniary Interest in such AOG Units (where BRH will hold legal title to the AOG Units as custodian on behalf of such Principal or Contributing Partner) and governed solely with respect to election of directors in accordance with the Agreement Among Principals (as in effect as of the date of the Waiver and Agreement), or the Governance Term Sheet, as applicable; and
 - c) JH shall be permitted to form the MJH Entities and implement any Distribution (each as defined in the Waiver and Agreement, entered into on or about the date hereof, between AGM and the parties thereto), and BRH hereby agrees to use commercially reasonable efforts to assist JH with the formation of the MJH Entities and the implementation of any Distribution, including to enable such entities to hold AOG units (or securities into which either of the foregoing are converted or exchanged); provided, that in the event that the governing documents of any of the MJH Entities are not in all material respects consistent with the Voting Arrangement (as defined in the Waiver and Agreement, entered into on or about the date hereof, between AGM and the parties thereto) reflected in the Limited Liability Company Agreement of MJH Partners II LLC as in effect as of the date of the Waiver and Agreement, such governing documents of such MJH Entities shall be subject to the prior written approval (email being sufficient) of AGM (such approval not to be unreasonably withheld, conditioned or delayed).
-

- (8) As of the date hereof, the number of Restricted Securities beneficially owned by each Investor is set forth opposite the Investor’s name on Schedule I hereto.

NOW, THEREFORE, for valid consideration the sufficiency of which is hereby acknowledged, the parties agree as follows:

ARTICLE I EXERCISE OF VOTING RIGHTS

- 1.1 The Investor shall cause to be present and shall vote (or cause to be voted) at any annual or special meeting of stockholders of AGM (or, following the closing of the AGM Merger, Tango Holdings), or, to the extent any action by written consent is then permitted, shall duly execute and timely deliver (or cause to be executed and delivered) any applicable written consent of the stockholders of AGM (or, following the closing of the AGM Merger, Tango Holdings) in lieu thereof with respect to, all Voting Securities held by the Investor and its Group, (i) in favor of electing any nominee to the board of directors of AGM (or, following the closing of the AGM Merger, Tango Holdings) who is approved in accordance with BRH's governing documents as in effect as of the date of the Waiver and Agreement (including, for the avoidance of doubt, and notwithstanding the Holdings Distribution, the Principal Distributions or any other distribution of AGM securities to the Principals or members of their Groups, the provisions of the Agreement Among Principals (as in effect as of the date of the Waiver and Agreement), or the Governance Term Sheet, as applicable, setting forth the approvals required in connection with the designation of directors to the board of directors of AGM) and (ii) against the election of any nominee who is not so approved.
- 1.2 Nothing contained in this Agreement or in a Similar Voting Agreement, a Similar Voting Arrangement or the Waiver and Agreement, and no action taken by any party hereto or thereto or any affiliates of any of the foregoing pursuant hereto or thereto, shall constitute such Persons as a partnership, an association, a joint venture or any other kind of entity (including a partnership for U.S. federal income tax purposes).

ARTICLE II TERMINATION

- 2.1 This Agreement shall terminate (i) with respect to any Voting Securities, upon any transfer of such Voting Securities to Persons outside the Investor's Group and (ii) with respect to all Voting Securities held by the Investor and its Group, at such time that the Investor and its Group cease to beneficially own at least 70% of the Voting Securities that the Investor and its Group beneficially own as of immediately following the earlier of (A) the closing of the AGM Merger or (B) the valid termination of the Merger Agreement, in the case of each of the foregoing clauses (A) and (B), in accordance with the terms of the Merger Agreement.

ARTICLE III MISCELLANEOUS

- 3.1 Amendment. This Agreement may not be amended, changed or supplemented or otherwise modified except by an instrument in writing signed on behalf of each of the parties (or their successors). The parties hereto agree that, following the date of this Agreement, BRH will not consent to any amendment to, or waiver of a term, provision or condition under this

3

Agreement unless it has conditionally offered to make an analogous amendment or waiver with respect to each of the Similar Voting Agreements and Similar Voting Arrangements entered into by the other Principals or Contributing Partners or waive the analogous term, provision or condition thereof.

- 3.2 Assignment. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned, in whole or in part, by operation of law or otherwise, by any of the parties without the prior written consent of the other parties. No assignment by any party hereto shall relieve such party of any of its obligations hereunder. Subject to the immediately preceding two sentences, this Agreement shall be binding upon, inure to the benefit of, and be enforceable by, the parties hereto and their respective successors and permitted assigns. Any purported assignment not permitted under this Section 3.2 shall be null and void *ab initio*.
- 3.3 Counterparts. This Agreement may be executed in one or more counterparts (including by facsimile or electronic mail), each of which shall be deemed to be an original but all of which taken together shall constitute one and the same agreement, and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties.
- 3.4 Entire Agreement; No Third-Party Beneficiaries. This Agreement, together with the schedules attached hereto, (a) constitutes the entire agreement, and supersedes all other prior agreements and understandings, both written and oral, among the parties and their affiliates, or any of them, with respect to the subject matter hereof and thereof and (b) except as expressly provided herein, is not intended to and shall not confer upon any Person other than the parties any rights or remedies hereunder. The parties will implement the terms of this Agreement consistent with the terms of that certain Governance Term Sheet, dated as of March 8, 2021, by and among the Principals and AGM (the "**Governance Term Sheet**"), including with respect to board composition and the intended proportion of independent directors described therein. None of the terms in this Agreement supersedes or amends the terms of the Exchange Agreement, the Governance Term Sheet or the Agreement Among Principals, each of which remain in full force and effect in accordance with their terms. Notwithstanding anything in this Agreement to the contrary, each of the Principals other than the Investor shall be an express third party beneficiary of BRH's and the Investor's agreements and obligations under this Agreement and shall be entitled to enforce such agreements and obligations as if it were a named party to this Agreement.
- 3.5 Governing Law; Jurisdiction.
- a. This Agreement shall be governed by, and construed in accordance with, the Laws of the State of Delaware applicable to contracts executed in and to be performed entirely in that state, regardless of the laws that might otherwise govern under any applicable conflict of laws principles.
- b. All actions and proceedings arising out of or relating to the interpretation and enforcement of the provisions of this Agreement and in respect of the transactions contemplated by this Agreement shall be heard and determined in the Court of

4

Chancery of the State of Delaware, or, solely in the event such court declines to accept or does not have jurisdiction over such actions or proceedings, the federal district court sitting in Wilmington, Delaware or the superior court in the City of Wilmington, New Castle County, Delaware (the "**Chosen Courts**") and the parties hereby irrevocably submit to the exclusive jurisdiction and venue of such courts in any such action or proceeding and irrevocably waive the defense of an inconvenient forum or lack of jurisdiction to the maintenance of any such action or proceeding. The consents to jurisdiction and venue set forth in this Section 3.5(b) shall not constitute general consents to service of process in the State of Delaware and shall have no effect for any purpose except as provided in this paragraph and shall not be deemed to confer rights on any other party other than the parties to this Agreement. Each party to this Agreement agrees that service of process upon such party in any action or proceeding arising out of or relating to this Agreement shall be effective if notice is given by overnight courier at the address set forth in Section 3.8 of this Agreement. The parties agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable Law; provided, however, that nothing in the foregoing shall restrict any party's rights to seek any post-judgment relief regarding, or any appeal from, a final trial court judgment.

3.6 Specific Enforcement; Exclusive Remedy. The parties agree that irreparable damage for which monetary relief, even if available, would not be an adequate remedy, may occur in the event that any provision of this Agreement is not performed in accordance with its specific terms or is otherwise breached, including if the parties hereto fail to take any action required of them hereunder to consummate this Agreement, subject to the terms and conditions of this Agreement. The parties acknowledge and agree that (a) the parties and any third party beneficiaries expressly identified herein shall be entitled to an injunction or injunctions, specific performance or other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in the Chosen Courts, this being in addition to any other remedy to which they are entitled under this Agreement and (b) the right of specific enforcement is an integral part of the transactions contemplated hereby and without that right, none of the parties would have entered into this Agreement. The parties agree not to assert that a remedy of specific enforcement is unenforceable, invalid, contrary to law or inequitable for any reason, and not to assert that a remedy of monetary damages would provide an adequate remedy or that the parties otherwise have an adequate remedy at law. The parties acknowledge and agree that any party hereto and any third party beneficiaries expressly identified herein seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 3.6 shall not be required to provide any bond or other security in connection with any such order or injunction.

3.7 WAIVER OF JURY TRIAL. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE IT HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT

5

MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT AND ANY OF THE AGREEMENTS DELIVERED IN CONNECTION HERewith OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (B) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF SUCH WAIVER, (C) IT MAKES SUCH WAIVER VOLUNTARILY AND (D) IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVER AND CERTIFICATIONS IN THIS SECTION 3.7.

3.8 Notices. All notices, requests, consents and other communications hereunder to any party shall be deemed to be sufficient if contained in a written instrument delivered (i) in person or by nationally recognized overnight courier or (ii) via electronic mail, in each case, addressed to such party at the address set forth on Schedule II hereto (or at such other address for a party as shall be specified in a notice given to each of the other parties hereto in accordance with this section 3.8).

3.9 Severability. If any term, condition or other provision of this Agreement is determined by a court of competent jurisdiction to be invalid, illegal or incapable of being enforced by any rule of law or public policy, all other terms, provisions and conditions of this Agreement shall nevertheless remain in full force and effect. Upon such determination that any term, condition or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate to attempt to modify this Agreement so as to effect the original intent of the parties as closely as possible to the fullest extent permitted by applicable law in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the extent possible.

3.10 No Ownership Interests. To the fullest extent permitted by applicable law, nothing contained in this Agreement shall be deemed to vest in any Person any direct or indirect ownership or incidence of ownership of or with respect to any Restricted Securities. All rights, ownership and economic benefits of and relating to the Restricted Securities shall remain vested in and belong to the applicable party. To the fullest extent permitted by applicable law, nothing in this Agreement shall be interpreted as creating or forming a "group" with any other Person for the purposes of Rule 13d-5(b)(1) of the Exchange Act or for any other similar provision of applicable law.

3.11 Fees and Expenses. All fees and expenses incurred in connection with this Agreement shall be paid by the party incurring or required to incur such fees or expenses, except as otherwise explicitly set forth in this Agreement.

6

3.12 Definitions.

- a. As used in this Agreement, "**AGM Preferred Stock**" means the shares of preferred stock into which the share of AGM Class B common stock will be reclassified, equal in number and votes to the number of AOG units outstanding as of such reclassification.
- b. As used in this Agreement, "**Beneficially Own**" or "**Beneficial Ownership**" has the meaning assigned to such term in Rule 13d-3 under the Securities Exchange Act of 1934 (the "Exchange Act"), and a Person's beneficial ownership of securities shall be calculated in accordance with the provisions of such rule (in each case, irrespective of whether or not such rule is actually applicable in such circumstance). For the avoidance of doubt, "**Beneficially Own**" and "**Beneficial Ownership**" shall also include record ownership of securities.
- c. As used in this Agreement, "**Group**" means, with respect to an Investor, such Investor or (i) such Investor's spouse, (ii) a lineal descendant of such Investor's parents, the spouse of any such descendant or a lineal descendent of any such spouse, (iii) a charitable institution solely controlled by such Investor and other members of his Group, (iv) a trustee of a trust (whether *inter vivos* or testamentary), all of the current beneficiaries and presumptive remaindermen of which are one or more of such Investor and Persons described in clauses (i) through (iii) of this definition, (v) a corporation, limited liability company or partnership, of which all of the outstanding shares of capital stock or interests therein are owned by one or more of such Investor and Persons described in clauses (i) through (iv) of this definition, (vi) an individual mandated under a qualified domestic relations order, or (vii) a legal or personal representative of such Investor in the event of his death or Disability. For purposes of this definition, (x) "lineal descendants" shall not include individuals adopted after attaining the age of eighteen (18) years and such adopted Person's descendants; and (y) "presumptive remaindermen" shall refer to those Persons entitled to a share of a trust's assets if it were then to terminate.
- d. As used in this Agreement, "**Limited Partners**" shall have the meaning ascribed to such term in the APP LPA.
- e. As used in this Agreement, with respect to an Investor, "**Restricted Securities**" means the Voting Securities and AOG Units beneficially owned by such Investor.
- f. As used in this Agreement, "**Similar Voting Agreement**" means a voting agreement that is substantively identical to this Agreement.
- g. As used in this Agreement, with respect to an Investor, "**Voting Securities**" means all (i) shares of AGM Class A common stock (including any shares of Tango Holdings issued upon the conversion of any such shares in connection with the AGM Merger) and (ii) shares of AGM Class B common stock (including any shares of AGM Preferred Stock into which the AGM Class B common stock may be reclassified or converted and any shares of Tango Holdings issued upon the conversion of any AOG Units and any shares of AGM Class B common stock or AGM Preferred Stock in connection with the AGM Merger), in each case, that the Investor beneficially owns or with respect to which the Investor has the power (by agreement, proxy or otherwise) to cause to be voted at any annual or special meeting of stockholders of AGM (or, following the closing of the AGM Merger, Tango Holdings)

or, to the extent action by written consent is then permitted, to provide any written consent of the stockholders of AGM (or, following the closing of the AGM Merger, Tango Holdings) in lieu thereof (the Investor's "**Voting Securities**"; the Voting Securities and AOG Units beneficially owned by the Investor shall be referred to as the Investor's "**Restricted Securities**").

3.13 Interpretation.

- a. When a reference is made in this Agreement to an Article, a Section or Schedule, such reference shall be to an Article of, a Section of or Schedule to this Agreement unless otherwise indicated. The headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Whenever the words "include", "includes" or "including" are used in this Agreement, they shall be deemed to be followed by the words "without limitation". The words "hereof", "herein" and "hereunder" and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement. The terms "or", "any" and "either" are not exclusive. The word "extent" in the phrase "to the extent" shall mean the degree to which a subject or other thing extends, and such phrase shall not mean simply "if". The word "will" shall be construed to have the same meaning and effect as the word "shall". All terms defined in this Agreement shall have the defined meanings when used in any document made or delivered pursuant hereto unless otherwise defined therein. The definitions contained in this Agreement are applicable to the singular as well as the plural forms of such terms and to the masculine as well as to the feminine and neuter genders of such term. Any agreement, instrument or statute defined or referred to herein or in any agreement or instrument that is referred to herein means such agreement, instrument or statute as from time to time amended, modified or supplemented, including (in the case of agreements or instruments) by waiver or consent and (in the case of statutes) by succession of comparable successor statutes and references to all attachments thereto and instruments incorporated therein. Unless otherwise specifically indicated, all references to "dollars" or "\$" shall refer to the lawful money of the United States. References to a Person are also to its permitted assigns and successors. Whenever the last day for the exercise of any right or the discharge of any duty under this Agreement falls on a day other than a business day, the party having such right or duty shall have until the next business day to exercise such right or discharge such duty.
- b. The parties have participated jointly in the negotiation and drafting of this Agreement and, in the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as jointly drafted by the parties hereto and no presumption or burden of proof shall arise favoring or disfavoring any party hereto by virtue of the authorship of any provision of this Agreement.
- c. Notwithstanding anything in this Agreement to the contrary, to the fullest extent permitted by applicable law, recitals of this Agreement shall be operative.

(The remainder of the page is intentionally left blank.)

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first written above.
